General

How to buy insurance online?

Step 1

Select the type of insurance you want to buy on http://www.insurancepandit.com and then put your details such as date of birth, sum insured etc and press on instant quote button.

Step 2

You will see the various insurance plans/options available. You can see the benefits of plans and price and compare the plan benefits here.

Press buy button to proceed for buying or you can save details to buy later.

We have three types of policies

Instant policy	You can pay and download immediately.
E policy	You can pay and will get policy in 15 to 30 minutes of business hours
Paper policy	1 to 3 days depending upon filled proposal form

Step 3

Now enter details in the buy form and make payment through options like credit card, debit card, Internet transfer, cash and cheque.

Step 4

You will get policy on your mail address and/or have it delivered at your postal address.
