

# Refund and Cancellation

## What is the procedure for cancellation of the travel policy? Are there any cancellation charges?

In general:

Before Departure: Can be done on request of the insured via mail

After Departure: Can be done on request of the insured via mail but Original Passport verification is a must to check the valid reason.

to pay cancellation charges which vary from company to company towards Administrative Expenses.

**2. Request for cancellation of policy should be received prior to expiry of the original Policy.**

Cancellation and refund policy of each insurance company given against their respective travel insurance plans on our website. Cancellation charges too are given .
